

The Fundraising Committee is a subcommittee of the Creaney P&C and is coordinated by volunteer parents who fundraise and provide extra resources for the children within the school.

Fundraising occurs across the year through events such as Mothers/Father's day stalls, lapathon, discos, raffles, movie nights, footy tipping and more.

These events would not occur without the kind support of parents who volunteer their time and energy to help plan and coordinate them. Creaney Primary School has a great community spirit and it is a rewarding experience being involved and knowing that you're making a difference.

The Fundraising Committee meet twice a term and offer the school significant support. Funds raised are put towards the yearly fundraising goals determined by the staff, Principal and the P&C.
