P&C - AGM 2016

The 2016 Annual General Meeting of the Creaney Primary School Parents and Citizens’ Association will be held this Wednesday 17th February commencing at 7.30pm, in the school staff room.

Following acceptance of the minutes from the Week 7 Term 4 2015 meeting and the tabling of the Audit Report for the year, all current office bearer roles will be declared vacant and nominations called for the following positions:

- President
- Vice President
- Secretary
- Treasurer

Nominations will also be sought for membership of the following P&C Sub-Committees:

- Fundraising
- Canteen
- Safety House

New members are encouraged to join us – the more the merrier! We are a great mix of mums, dads and grandparents that enjoy having a good time, a good laugh and still advocate for our children.

All current P&C members are encouraged to attend the AGM to vote and/or nominate for vacant positions on the executive and sub-committees.

If a full executive committee is not found, the P&C will be at risk of closing down. This may mean the closure of the school canteen (as it is P&C operated), plus all future fundraising and community based events.

For more information concerning any aspects of the P&C including the conduct of the AGM, and the roles of executives and sub-committees, please contact Pamela Jones, P&C President for 2015, at pccreaney@gmail.com or on 0412 300 280.

NETBALL

One of our dear Creaney mums, Natalie, works for Suncorp, and as such has the opportunity to nominate a sports group, community club, school or playgroup for a local grant.

Natalie is pleased to announce that the Creaney IPS Netball Club application was a winner to receive a ‘Brighter Futures Grant’ thanks to Suncorp!
The students from Creaney that play Saturday netball with their school peers, will benefit from $900 worth of new equipment – sports bags, netballs, bibs, whistles, timers, agility ladders, first aid kits and more.

If you have any queries, please do not hesitate to contact Natalie on 0477 760 798.

LIBRARY

This week the Library will be having a new system installed which promises to be a more user friendly system. It’s called Bookmark and comes highly recommended.

Further details will follow once it is up and running.
