**NATIONAL VOLUNTEER WEEK**

Let’s celebrate living a life with meaning this National Volunteer Week.

Today marks the beginning of National Volunteer Week 2016, which runs from 9-15 May. Volunteering Australia continues to celebrate the theme “Give Happy, Live Happy” which explores the research that shows volunteers live happier and healthier lives.

Associate Professor Dr Thomas Nielsen, University of Canberra, said, “We now know that volunteering is not just good for our physical health, but for our psychological and emotional health too. Giving is one of the strongest predictors of increasing our health and happiness.”

Creaney Primary School’s P&C Association is a fine example of volunteering at its best. We all come together to support our children, whether it be through fundraising for resources, or helping with social events, we all strive to create a great community within our school.

So, I would like to say a big ‘thank you’ to all the volunteers that help Creaney P&C succeed at what we do, and remind you that what you may consider a minor role, we deem as invaluable. Thank you!

To all those considering volunteering for the Creaney P&C, I say “Do it!” You will find it just as rewarding as the rest of us have.
