### C6 Assembly

Mrs Anderson and her students in C6 will be presenting this Friday's assembly where our Semester One Student Councillors' will be formally acknowledged.

### School Board

The first School Board meeting for 2017 will be held on Monday 27 February 2017 at 7:30pm. Parents are welcome to attend School Board meetings to observe how they operate.

Agenda for Monday 27 February

- 2017 One Line Budget Review
- 2017 School Plan Review and Endorsement

### Staff Car Park Concerns

Only Australian Disability Parking Permit holders, Staff or service vehicles are approved to enter the staff car park.

Currently parents are creating congestion and putting student safety at risk by parking in the staff car park and using it as a pick up and drop off area. This is very dangerous and is not permitted at any time. Thank you for your co-operation.

### Parking on the Verge Across from the School - Creaney Drive

We have received complaints regarding parents parking on the verge across from the school's main gates. The City of Joondalup rangers have been contacted to manage this situation. Additional information has been provided in this newsletter.

### Student Absentee Process

The Department of Education regulations require that all planned pupil absences of more than two days be explained by a dated note, email or sms addressed to the Principal before the planned leave. For day to day absences parents can SMS 0437 156 748, the school the morning of the absence to provide an explanation which will be recorded by the office staff. This will assist teachers to manage the learning program and to enable checks to be made to ensure that all children who are sent to school actually arrive.

Parking is always limited.

Avoid taking the car if possible and walk.

Compliance with parking and directional signage creates a safer environment for your kids attending school.

A vehicle may be stopped, and immediately drop off or pick up a passenger or goods. The driver must remain with the vehicle.

Children warning and 40km/hour school speed zone signs are the responsibility of Main Roads WA.

Road safety is everyone's responsibility. The City provides road safety information to all schools. Please contact your school principal if you want information about road safety.

Contact **Main Roads** on **138 138** to report any damaged signs or to request for more signs.

## Infringements
